

CFC & HCFC REFRIGERANTS
AGREEMENT

This form is only for items that contain CFC and HCFC refrigerants, and are required to be disposed of in accordance with applicable EPA regulations.

(Seller's Name)

Certifies that all refrigerant that **has not leaked previously** will be recovered from appliances and vehicles (including but not limited to chlorofluorocarbons (CFC's), hydrochlorofluorocarbons (HCFCs), and hydrofluorocarbons (HFCs), as defined in 40 CFR Part 82, Subpart F, pursuant to the Clean Air Act Amendments), to be delivered under this contract of sale prior to delivery. Seller further certifies that Seller either will recover any remaining refrigerant that **has not leaked previously** from the appliance and vehicles or shipment of appliances and vehicles under this contract in accordance with 40 CFR Part 82.155(a) prior to delivery or verify that the refrigerant had been properly recovered prior to receipt by the Seller. Seller further agrees to indemnify and hold JARVIS METALS RECYCLING harmless from any claim, penalty, fine, fee, cost, attorney's fees, or other liability resulting in whole or in part from seller's breach of this certification.

This Agreement shall continue until revoked in writing by either Seller or Buyer, whereupon this Agreement will terminate thirty days after notification is received by the other party.
